

Cemetery Listing by Name

To make it easier to find the exact graveside location of a deceased friend or relative, we now have an alphabetical listing of deceased parishioners followed by the row and plot number for each. To see how the plots are numbered, please click [Cemetery Layout Numbering System](#)

This listing is accurate (hopefully!) to **Sept. 15, 2021** and will be periodically updated. If you find an error (spelling of a name or row/plot number), please notify us at st.ignatius@nf.sympatico.ca

We also have a number of identical names in our death registers and, for clarification purposes, the name of a spouse (e.g. "DOE John (Jane)") or a commonly used nickname may be included.
